HIGH SCHOOL STUDY HALL Registration Form - 2019-2020

Study Hall provides a safe and educational environment where students can read, complete homework (including the appropriate use of electronic devices), socialize, or just relax. Basketball and other outdoor games are also available.

Study Hall begins at 2:55PM and ends at 6:00PM. If an emergency occurs, please call 352-259-3777 to let them know you will be delayed. We will care for your child until you arrive, but please be advised that overtime charges will be applied after 6:00pm. Charges are based on the time displayed on the school clock. Students who are at least 16 years old may sign themselves out, with parent permission. While signed in, students must remain in the VHS Cafeteria or the area just outside where the tables and basketball courts are located. Once students sign out, they must leave campus and not return that day.

Students will be held to the same high standards to which they are accountable during the regular school day. Behaviors that include physical contact, or other behaviors deemed inappropriate by school staff, will be grounds for suspension from Study Hall. We look forward to working with you and your student for a successful experience this school year!
